

THE CLAREMONT LIONS CLUB
ESTABLISHED FEB. 28, 1968

WHO WE ARE

Lions Clubs International, founded in 1917, is the world's largest and most effective community service organization, with more than 1.4 million members. Our club is one of more than 46,000 Lions Clubs in approximately 192 countries and areas. Regardless of what language they speak, religion they practice or politics they espouse, all Lions are dedicated to seeking out and helping those in need.

Our fundraising efforts, service activities and resulting contributions benefit our community directly. Our contributions to services that are regional, provincial, national and international benefits so many more.

Lions are not just a club for men. Today's Lions are women and men dedicated to making our community a better place to live. We are your friends and neighbours.
